***As Dr. Deucher continues to work in the hospital, his St. Luke's Medical Practice office is now on a waiting list process for the next 12 months for new patients. Dr. Deucher is happy to consider exceptions with family members of established patients or patients that he has seen recently in the hospital.***

***All others are welcome to submit the waitlist form as certainly we anticipate more continued change in Moore County.***

St Luke's Medical Practice,

I would like to become a future established patient with Dr. Deucher at St. Luke's Medical Practice and understand I will be contacted by the office when new patient appointment availability opens up.

*Please note: St. Luke's Medical Practice is not a walk-in clinic and does not see patients who are not established and have appointments.*
